## My Thoughts

To GAYLE HANKS &lt;gdhanks@comcast.net&gt;

DEC 13 2021

To Whom It May Concern,

 AT SEATTLE  
 CLERK U.S. DISTRICT COURT  
 WESTERN DISTRICT OF WASHINGTON  
 BY DEPUTY

Gayle is my cousin (our mothers were sisters) with whom I've had conversations throughout the 73 years since we were born. In our younger years my childhood family would vacation from Montana to Gayle's family in Seattle. A salmon fishing trip with Gayle's father in his boat was great. We also visited our mutual Aunt, Eunice Wright, there in Seattle. In recent years my married family has come to Seattle visiting Eunice and Gayle. Both were in good spirits weathering life's storms. It concerns me why Gayle has been forbidden to see Aunt Eunice because Gayle is a very caring and loving person and would be a great asset in helping Aunt Eunice in her elder years. The hurts of life are bad enough so it seems so wrong for her to be denied helping Aunt Eunice.

Sincerely,
